“ I love you granddaddy you will always be missed, I can't believe you are gone, I keep praying this is a dream and I will wake up and see you and hear your voice again. It's unreal you being gone, I guess I will never be able to truly accept you being gone. I will miss all our memories we had and our favorite one where you picked me up after school and we always went to the bookstore that was our tradition and many more memories I will keep alive. I'm so blessed that you got to meet your great grandson and watch him these 3 years. He loved you to death. We will always love you. Please place your hand on him and guide him to be the man that you were. We will always miss you and we will always love you. I know you are in a much better place right now but I would do anything to have you back, but God needed you more. Please watch over the family. We will never forget you. Love your granddaughter and great grandson Blake.
