“ I was fortunate to be her pastor for three years back in the sixties. Even though half a century has passed, we still have fond memories of Annie Foster. She was solid in her faith in Christ and serve Him in whatever way she could. Memory is a gift of God that death does not destroy. Looking forward to a grand reunion.

“ Dear Foster family. I am so sorry to have read of the death of Annie. Please accept my sincere condolences. I would like to share something that I have personally found to be comforting. It is found in the Bible at John 5:28, 29 and Revelation 21:4. (Please read) May God give you and your family comfort in His promise that soon we will never experience losing our loved ones in death and we will be able to see them again once they are resurrected. With deepest sympathy and warmth of heart.
