“ Arthur is still one of my best friends (forever) even though we have not talked to each other in fifty years. He had acquired a nickname in high school”Crash” . We had great times together with a few other good friends. The group of us played basket ball for Industrial City Baptist in the YMC A league in 1968. Always fun and he was a truly outstanding person. I just learned about his passing today 1-2-2026. I will greatly miss him as we were friends in spirit .
