“ My condolences to “Mr B”, Bronwyn and Bess and “Mrs B's” family and friends. I have great memories of her from my middle and high school days. She always met me with a big smile and a warm heart. Favorite memory is that she requested on many occasions that my twin brother and I replay a scene from Bugs Bunny. She would giggle and laugh as we performed for her. That is how I will remember her ... smiling, giggling and laughing in a loving way.

A little late but thank you Mike. My parent's pastor was just killed. I had to look up my mom's obit to see which of their pastors did her funeral and saw this. Hey, I remember your Bugs Bunny performance too. Y'all were famous and didn't know it! (AL made a southerner out of me.
