“ From the bottom of my heart and soul you all have my deepest condolences and prayers during this time. I pray for abundant peace and strength as you move through this period of transition. Our only source of strength and peace in this moment is to know that God's will is perfect and just. He saw Mawmaw's pain and decided to call her home to suffer no more. Grieve for this loss, for we all feel the pain of loss. Yet rejoice in knowing she is with her Lord whom she loves and is now at peace and suffers no more.
