“ *Wow I don't really know where to start. You were my mama and I was your little girl for so many years as I grew up. A lot of memories have crossed my mind the last few days. I hope your dancing in the sky, I hope your singing in the angels choir.*

“ Every time I came down from the choir or the pulpit after delivering announcements and/or singing with Brother David she would reach out, take my face in her hands and say “you’re so beautiful” or “ I sure do love you” and stare directly into my eyes as she would say those things; it made my heart melt every time 💖!!! She had a way of making me feel so special especially when I needed it most ~ she absolutely will be missed 😞😭!!!

Terry, I love you and I’m very proud of you for being the person you’ve become ~ know that your sister in Christ is with you always in her heart and yours 💖!!!

“ Sure going to miss those sweet hugs you gave me ever time you saw me at church, or when you ask me if I was ever going to stop growing. You had a smile that would light up the room and a sweet sprit.
