“ *Billy built a house for our family. I went to visit him about a year ago after my friend passed and a package was delivered to his house for Billy. He was a character at the local ballpark and a great fellow. I wish I would have been able to come pay my respects. I wondered what was going on when I seen his vines cleaned up and a huge dumpster at his house. My prayers are with all the Barnes family. Such good people. Condolences and may God comfort you all from the Bowen family.*
