“ I only met her briefly, but felt like I knew her well through the stories her son shared with my husband and I. He would share how she enjoyed watching my son and husband in the yard doing work or just playing. It was something special for her, just as it was for us. While I wish I could have gotten to know her better, I know that she was loved and know that she will be missed. With continued prayers for the family and friends, Erin & Stephen Weber (neighbor)
