“ *My heartfelt condolences to the Doss' Family for your loss. This type of loss is always difficult, but God's word offers the grand hope of a resurrection to life again. Jesus Chris said, &quot;Do not be amazed at this because the hour is coming in which all those in the memorial tombs will hear his voice and come out&quot;. God's word extends to all the wonderful promise of a resurrection to a better life! John 5: 28-29 Learn more about this resurrection at JW.ORG*

“ *I am so sorry to hear of Carol's passing. My family and myself dearly loved her. I loved to hear her sing and her sweet sweet spirit. Her and your Dad were wonderful people and examples. I have no doubt in my mind where she is and is rejoicing with your Dad. Your family will be in my prayers.*

“ Dear Doss family, please know how much both your mom and dad meant to my family. Their kindness and devotion to Jesus was something I always looked up to in both of them as I grew up st Pleasant Valley. Sister Diss was like s spiritual mother to the youth there. I admired her liove for the Word and her devotion to Jesus and her family and church family . I always felt welcomed when invited to her home. She was a gracious lady and will be missed, but I am glad she is not. Praising Jesus with Brother Doss and Judy. I'm sure many crowns await her for her service and devotion to Jesus and look forward to “When we all get to heaven”, because what a joy that will be .” Love you all and praying for you
