“ *Billie Ann and I are sorry about Charles. We were friends as well as co-workers. When I was working I asked Gary about him often. He is in a better place. This life is precious, fragile, to short, and sometime seems unfair. I haven't stayed in touch with many co-workers because I have Lou Gehrig's disease which has taken my speech and voice. May the Lord give you and your family strength to get through the loss of a dear loved one. Stewart and Billie Ann Simpson*
