“Pawpaw, words can't describe the hurt I have. So hard to believe that you're gone. I've had you for 30 years of my life and I wanted you for 30 more. But God needed you and I'm blessed knowing that you're with the good Lord and all your family that's gone on before you. Watch over us down here. I'm forever grateful for the things you've taught me and the memories we've made. I'll cherish them forever. Your legacy will live on in us all. I couldn't have asked for a better Pawpaw! I love you all the way to heaven and back ❤️ Sweet Pea❤️
