“ My dear Teeny will definitely be missed .She was the rock that tried to hold all of her loves together for so many years. I’m just so sorry we did not make her last wish come true as she requested so many times to have one more get together. I know none of us really think that it could be our last time. \r\nI do know now that you will be free of all pain , will be able to see clear and be happy once again. Now you also will be with all the loves ones you’ve missed for so long. Teeny be sure and give Momma, David, Carolyn and Doug a big hug and kiss from me and tell them how much they are missed and loved . \r\nYou will be missed always, loved forever and never forgotten.. \r\n\r\nLove you Sherry

“ My dear Teeny, You were always the rock that tried to hold this family together. You tried your best to have one more family gathering but it just never happen and for that,I'm sorry. You were always happy to have your house full and no one ever left hungry and that was for sure. As a child growing up , I certainly stayed my share at your house and now I have all those wonderful memories. I know you have been struggling with your health for quite a few years now, but you have earned your WINGS so no more pain and suffering. You now can be with all our love ones that we so dearly miss. Give Momma,David, Carolyn and Doug lots of hugs and kisses from me. You may be gone in sight, but never forgotten. Love you,Sherry
