“ Lisa would always say how he would ask about Shelby and I... After 11 years of being gone he still took the time to see how we were doing... All the memories I have going to church he's always in them.... Always Tapping his foot and a big smile as I sang on stage (calming me a bit from my nerves)...He will be missed deeply

“ Cliff was a leader in our church. If there was anything that needed to be done, he'd do it or make sure it was done. He was a Godly man that loved his family and friends. He will be missed by many!

“ Sweet Cliffy....I can just see you now, you're jinglin' that pocket of change, sippin' your coffee, all while wearing that big contagious smile on your face while talking to GOD face to face! It's hard to understand God's timing, but just knowing he doesn't make mistakes helps to ease some of the pain. You were always there to brighten someone's day if you knew that needed it or not! You were truly a child of God and it showed in your life every single day. You will be missed by so many people who loved you and respected you. Love you Cliffy! -Love, Desi
