“ Danny was my uncle but one of my best friend. Danny carried me everywhere when I was young and always made me feel special. I took my driver license test in his car and afterward I wanted it clean so I washed it with what I thought was a car brush but it turned out it scratched up that Scarlark pretty bad. He was upset but ended up laughing. I loved him so much.

“ Prayers for healing for the family and friends. I grew up in the Raimund community and remember Danny as a leader in church. He and Sandra were/are Faithful and great mentors. But we are going to have a great Homecoming one Day soon.
