“ To his family and friends. David was truly a well loved and liked. He was always there if someone needed help. My prayers are with all the family and friends. He was my best friend and was always there for me when I needed a shoulder to lean on or just to listen to me if I needed someone to talk to. I will always keep him in my thoughts. God gain and angel and a great man. Go rest high on that mountain. Fly high with the angels my friend. I will truly keep his family and friends in my prayers.
