“ I've known Debra for around 10 years and I've witnessed her faith at work through very challanging circumstances and tears... And have seen the Lord show Himself faithful to deliver and and restore everytime because She trusted Him and Believed that \"He Saw every tear and Saved them in a Bottle\" psalms 56:8 And Now I can only imagine that she is pouring them one His Feet! Praise God! #restinheaven

“ My heart is so burden and sadden with the loss of Debra. Through her own story and her friendship I was able to walk away from an emotional abusive relationship. Her late night talks and her belief in me was amazing. She will be missed dearly.
