“ *How does one pay tribute to a wonderful man that you have know 40 plus yrs? Denny was strong in stature, with a teddy bear heart, would give you the shirt he had on if you wanted it. Always doing what had to be done with that deep jovial laugh...loved his family and friends beyond measure as well as valued each and every one. With that said, I'll say this: Goodbye for now old friend. We're sad you had to go.. Dave and I love you and will miss you far more than you could ever know.. Your friendship was a treasure, more valuable than gold, but true friendships never end, they 're only put on hold...Someday we will join you, high in heavens skies. a place where friendships carry on and there will be no more goodbyes. Rest easy White Dog...much love and long-distance hugs for Betty, Kim Brother and grandkids. Although I cant be there in person I am praying for the Lords comfort and strength. In spirit, I'll be holding your hand...*

“ *So sorry to hear of Denny passing. Know Betty and Denny had been friends with my daughter, Vicki Pugh Truett, for many yrs. We all loved them dearly. Denny was one of a kind, good hearted, friendly, a genuinely good and honest man. He NEVER met a stranger and always spoke his mind. One never had to guess how he felt...he'd tell you in the nicest way most of the time. He will be missed by all who knew him and called him friend.*
