“ *Moma loved Jesus with all her heart and soul and proved it with her every action. She witnessed to everyone about the love and forgiveness of the Lord and how He will change your life. She loved and supported Garywood Assembly, teaching the children in Sunday School and the nursery. She often brought children in the neighborhood to the children's functions at church. She loved her job at Princeton Hospital and worked until she was 78 years old as a CNA and Unit Secretary. She was very humble and kind to all and loved everyone. I will miss her so much. I love you Moma and I am so proud to have been your first born and your daughter.*
