“ I’m sorry I didn’t know Donna personally. However, I was saved by Jesus Christ in September 1995 (with the help of James “Jamie” Gibson). I then was baptized in 1996 at Peoples Church by Brother Jack. I recently came back to know Jesus Christ as my Lord and Savior in the past month. I wanted to speak out to the family. You’re in my prayers. May God give you peace throughout your grieving process.

“ One has achieved success who has lived well, laughed often and loved much. Who has gained the respect of others and the love of little children. Who has filled her niche and accomplished her task and left this world better than she found it. Love you Aunt Donna.
