“ Donna will be missed, we had some great times working together and I'm so glad we got re acquainted when I returned to Alabama. She was always willing to help and pleasant to work with. She was a kind and caring friend and every time I eat at Habaneros I will think of her, her favorite dish was their Burrito and we enjoyed having lunch there many times! May the Lord keep you close Donna and I hope to see you again some day, Love Jennifer Hollub
