“ *I wish to express my condolences to the family. I know that your loss is great because you have had Ms. Nichols for some 90 years. May you find comfort from the God of all comfort who can help you to cope with your loss. It can be so hard to face each day without that special someone, but the love and support of family and friends and, of course, our loving Creator, can help to ease the pain and sorrow. Again, please accept my sincere condolences.*
