“ Our hearts were saddened to learn of the passing of Dr. Smith and Judy. We have known them over 45 years. Dr. Smith was our dentist and the dentist for our children. A trip to the dentist was always an opportunity to laugh and catch up on what was happening with family members and the news. Last month he said to me that he was going to "meet the good Lord one day" -- I just did not think it would be so soon. We are grateful that God placed them in our lives.
