

Ellen Louise Bunn

January 10, 1930 - December 21, 2017

Ellen Louise Bunn, 87, of Chattanooga, TN, formerly of Bessemer, AL ascended to heaven on December 21, 2017 in Knoxville, TN with her two loving sons by her side after a long battle with multiple chronic illnesses. Louise was the widow of the late Morris D. Bunn, sharing 41 years of marriage before his untimely death in 1986.

Louise was born in Montevallo, AL to Joseph and Susie Mae Davis. Louise and Morris lived in Bessemer, AL for a majority of their married life. She was a very active member at Second Baptist Church in Jonesboro. She was very involved in her sons' elementary school activities and transported them to all the sporting events they played as youths. During that time she worked for several companies in Bessemer including Schiffman's and Shivers Clothing. In 1987, she moved to Chattanooga, TN to begin her next stage of life at the young age of 58. She was the Resident Manager for the Ledford Apartments for 11 years before retiring in 1998. During her residency in Chattanooga, Louise met Isaac Cordwell of Redbank, TN and they became inseparable companions until her death. They enjoyed ballroom and square dancing, listening to music, watching football, eating cheeseburgers, and taking long walks on the Walnut Street Bridge spanning the Tennessee River in downtown Chattanooga.

Her long-time companion Isaac often referred to Louise as "a lady of honor" because she always sacrificed her time to ensure that the needs of others were met, especially her two sons and her sisters. Her faith in God was strong

and it never wavered during her recent illnesses. She will be deeply missed by her family and friends, but the family is at total peace knowing that her long-suffering due to her many illnesses are now over.

“ Dearest Cousins- Buddy and Butch and families, Just wanted you all to know, how much we all Loved our Aunt Louise . She will be sorely missed ,especially at all the family events, such as the Sister/Cousin things our Family has been doing since 1994. One of my favorite memories of my Aunt Louise is getting my ears pierced as a Teenager. She took care of me as she knew my weak stomach and my desire to have it done ,I spent 2 weeks with her and my 2 boy cousins till I could do my own tending to my self, she delighted in helping with all the nieces and nephews with anything . We have been so blessed to always have spent time with her . Our memories and pictures will now hold so much more worth as we go thru time ,by never letting us forget her. Love you all, cousins- Sharron and Ray Johnson
