“ While I never met Mrs. Trammel, I felt that I knew her through her son Preston when he would reminisce about his many good memories growing up. \nI also heard a few memories from her great grandson Preston with whom I spent time.\nShe had to be a wonderful, giving of herself person from all that I've heard over the years from her family.\nThough Mrs. Trammel will be sorely missed by her entire family, I do know that her memory lives on within each and every family member and friend who knew her.\n\n\nLarry Kaminsky

“ Please share the following condolences with the family of Elsie Francis Trammel: I am so sorry to find out of Elsie's passing. She was a sweet and wonderful lady. She baked my wedding cake over 40 years ago. She would always give me and my brother a little extra ice cream when she worked at the bakery. Our uncle Walter and her were cousins I think. You don't realize how we cross paths in people's lives that leave an impression on your life some day. With Deepest Sympathy Sharon sellers Brown Thank you, Sharon Sellers Brown 10/12/2012 09:56:09 AM
