“ You were an inspiration to me, reminding me to suit up and show up. Every time I saw you, you looked your best, and had a trunk-load of home-cooked food to share. Mostly, you brought a megawatt smile, an attentive ear, and general spunk to every occasion. It's clear to me you had a love of life and the people you held dear. You made the world a better place, and your passing leaves a hole that will be hard to fill. Rest in peace dear Evelyn.
