“ I came to know and appreciate Faye at her Inverness store, where for many years she sponsored the Meadow Brook Runs benefiting The JESUS Video Project. Faye often told me of her faith in Jesus Christ, that she was saved as a young person. She wondered what the Lord's purpose was for her here, after having several serious medical problems. She repeated, "If He would tell me, I would do it." What a wonderful attitude! Since my own sweet Mother's passing I have come to realize much more clearly that the reality of Heaven is just as much a matter of our basic Christian faith as our belief in the existence of God and Christ. If we say we believe in Christ, we must believe that what He has told us is true about life after death in Heaven for all true believers. In light of Heaven's actual existence and sure rewards, we can be happy for the gain of our loved ones' who have put their trust in Jesus Christ as their Savior and Lord, despite the sadness of our loss. We can also be greatly comforted by looking forward to our reunion relatively soon with all those in the Lord who have gone on before us. May God give His blessing and comfort as we pray to Him, the God of our fathers and mothers, and put our full faith and trust in His Son, our Lord and Savior Jesus Christ, the only One Who can give us eternal life.
