“ *My Brother Gary Manning was a very smart and Special guy! He loved life! He served his country in the Navy and worked for the FBI in secret service for many years. I remember my first airplane ride going to visit him when he was stationed in Virginia! He would always come home and check on us to make sure we were living right and taking care of ourself! I've added some pictures of him, his son and all his grandchildren. I know he was very proud of them. RIP Gary! We love you! ❤️*
