“ Dear Faye,
I am so saddened to learn of Glynn's death. Although I haven't seen or spoken to Glynn for more than 25 years, I have always considered him to be a very good friend. You and he are an important part of my memories of high school, college and early adult years, and I regret that I haven't made the effort to stay in more frequent contact. Mary and I are praying that God will comfort and sustain you and your children during the coming days and years.

“ Dear Faye, It breaks my heart to hear that Glynn has passed away. When we were in school, he never paid me any attention, but I thought he was so cute and I loved to hear him sing. A number of years ago, we became friends when he helped me sell a house. My husband I bought several vehicles from him. He will be truly missed.

“ *My Dear Faye, I am very sorry to hear of Glynn's passing. We never forget our high school friends even though years and miles have separated us. Please know that you are remembered in my prayers along with your children and grandchildren. I loved reading that Glynn sang to his pets. Sounds like he was a wonderful man. I remember that he had a beautiful voice.*
