“ My momma... What can I say? Everybody loves her, everybody called her anyhow, she was a fire cracker, she never found anybody down never turn anybody away that needed a place to lay their head she always done what she could do for someone she always put somebody first. She loves her grandbabies ,she's up going to church she loved keeping the roads hot with my aunt Dean they were like Thelma and Louise. She's in heaven now standing by my dad's side holding his hand she's not in any pain before she wants to be and she'll always be my guardian angel over me and Gage and Breanna .
