“ *Diane, you and your family are in our thoughts and prays. Fifty three years is a long time to love and live with one person but the years are always worth it. This is something that was on a card that we received when Wilburn's mom past away and I have always loved it. For each hour of your loneliness, I wish you a day of comfort; For each minute of grief, a year of peace; and for every tear, a thousand reasons to smile. We love you.*
