“ We wish that we could all be there with the family at this sad time, but unfortunately it is not meant to be at this time. I will be thinking of each and every one of his children and also of his dear wife, Audrey and I will continue prayers for all. I will forever cherish the times that I was able to spend with my dear older brother. I will also cherish the fond memories that I have of our childhood with the rest of our family and the memories that I have well into my adult life. James was truly a remarkable, talented and kind man, who will be sadly missed by us all. With much love, Dorothy Jean, Denise, Daniel and Dayna.
