“ My sincere sympathy to Jamie's family. To lose a close family member, such as a child or sibling is one of the hardest things to deal with. Thankfully, the Bible teaches that most will be resurrected. Jesus said \"those in the memorial tombs will hear his voice and come out.\"(John 5:28, 29)

“*Jamie was such a sweet person. I remember how she always made me laugh when she was around and she had the most unique way of making you smile no matter what was going on. May God watch over her family during this time of grief. I know Jamie is hanging with her brother Butch and is in such a better place now and that is with God in our Heaven.*
