“ *I'm so thankful to have known Janet! She was always such a bubbly, kind and giving person. Her sweet spirit will be missed in our knitting group. I told her in our last conversation that she was always such a ray of Sunshine to us. I know of one time when one of our group had a fall and broke her hip, Janet made sure that she had the works (pattern, yarn & needles) to be able to have a knitting project to work on while recovering from hip surgery. She often opened her home on days the library was closed so that we could gather together for food and fellowship. Even though our last conversation was just a phone call we were able to pray together and I know she is up in Heaven gathering up a stash of yarn waiting for the rest of us Hueytown Knit Chix! Our prayers are with you Mike.*
