“ Dear family, I'm so sorry for the loss of your beloved Randy. Words fail to capture the pain of losing a loved one. But we look forward to the time when words will fail to capture the joy of having our heavenly Father return your dear one to you in the righteous paradise here on earth. “ I worked with Randy at Walter Energy. I got hurt and went on disability. I tried to keep in touch with the crew I worked with, but when the mines went bankrupt, we all went our separate ways. I talked to Randy when he got back from working up north. He is still my good friend. I am sorry to hear that Randy passed awsy. I knew he was sick, but as I said, we lost touch
