“ I met Jerri years ago back in 1996 when we started working together. Over the years we have worked together off and on and the last being at the Billing Office at BBH Princeton. She was a complete joy to be around. Her sense of humor, her laugh will all be missed. She shared her testimony with me so many years ago and she was always an inspiration to me. She had a deep devotional love of her family that showed. We always talked about things going on outside of work and Chris was always number one. I know you don’t need me to tell you, but Jerri loved you dearly...all of you. She was very proud of her family. I am praying for all of you at this very most difficult time.
