“ *Jerry was truly the love of my life. I loved that man so much. We met when I was 19 and have remained friends for years. I just talked to him last week. He told me there wasn't a day go by that he didn't think of me. That really made me cry. I wish I could have been there for him when he needed me. He was planning on coming to the beach when he got well. I hate it that never happened. I will always love him. I pray for his family because I know he loved them so much. He definitely will be missed.*
