“ I am very sorry to all who are affected by this loss. Coping with the loss of a loved one is probably one of the most difficult things to endure. Although it doesn't remove the pain or bring our loved one back to us now, the bible offers much comfort and hope that our God has given us for the future. At 1 Corinthians 15:26 Paul wrote that the last enemy death would be brought to nothing. There is much more hope and encouragement to be found in the bible. Please take care and again very sorry for your loss.
