“ *My precious Mommy I love you so much! I am so thankful for everything you did for me growing up and for loving me! I will remember your love, kindness and everything you taught me growing up. You loved everybody and most important you loved your Lord and Savior! You went to sleep in pain and suffering but you woke up happy, healthy and rejoicing with your Heavenly Father! You are now with daddy, Terry Jr and the rest of your family what a reunion y'all must of had. Love your daughter Lisa.* ”
