“ *For Mike Johnson*
August 9, 2022

If You Could Read My Mind, Mike
it would say
that you were a part of my childhood
and our friendship never really went away.

You once were family, but I would not lie
I still loved you as family til the day that you died.

You were one of those Rainy Day People
the kind that liked the Bend In The Water
and sought out The Early Morning Rain
Always searching for the Wherefore And The Why
I hope that somewhere along your Race Among The Ruins
You found the Carefree Highway you were looking for.
Now in the Sundown of your life
I know I'm Not Supposed To Care
But It's Worth Believin' you are now
in someplace Beautiful.

Thank you for your love of Gordon Lightfoot music and passing it
along to me. For every song I listen to, there will be a thought of you
in there.

Rest in peace, Mike. See you on that other shore one day....

“ Mike my only Brother, you will be missed soo much. Our get togethers two days a week and daily phone calls. Hugs at each greeting and sharing you with your family Sharing college football each fall on the big screen with food and beer. Fishing together and just talking. We tackled a few projects together which always turned out good. You are the deck master! Hugh hole in my life when Ann died and you helped keep me moving forward a step at a time. I think that Ann and I helped you with the hole Janet left in you. Now your hole is filled and you have Janet in your arms. I will have Ann back in mine one day soon. Life just to much duller without you for me but now you have everything you could only dream of. Love you My Brother and save me a seat. Brother Rick Johnson
