“ Johnny (and Jayne) will forever be a part of so many memories of folks growing up in Bessemer. You always made special occasions for all of us so memorable. You had that magic touch with flowers be it for a school or a wedding. My sister, Rusti, found some dried black roses from your cousin, Jimmy Trammell, several years when Alabama lost the Sugar Bowl her in '63 just a few years ago. My love to Ed, Beth and Jack and their families. Your dad was bigger than life to all of us!\r\n\r\nGod bless you all!

“ We just heard about Johnny's Home Going and was so sad! We traded with he and Jayne so many years. He did our wedding, and was thought of as a friend. Johnny was well thought of and a good person. He will be truly missed! May his memory and the love you shared fill the days ahead and help heal your broken heart.
