“ Diane, please accept my deepest condolences on the loss of your mother. I know that it is very difficult to bear the loss of a loved one that is so dear to your heart. Although there is little one can say or do to take away all of the pain that you are experiencing at this time, please know that you and your family are in the thoughts and prayers of many. May you have solace and comfort the emanates from our Heavenly Father, Jehovah. 2 Cor. 1:3,4
