“ Johnny and Rhonda were the first people I met when we moved nearby on Morgan road as a young couple in 2000. I was looking around our area and passed his house and saw a couple trans am’s in his driveway and stopped to look. From the porch he said “not for sale” 😭. But quickly warmed up and I sat and listened to him for the first of many times talking about racing cars at Lassiter mountain. I was 25 years old. Johnny on multiple occasions helped me learn mechanical tech and worked on my cars when I couldn’t seem to figure it out. He was always honest and fair in any dealings with me or anyone that I was present at the he was doing business with. He and Mrs Rhonda watched our 2 kids many times so that we could have a night out. We had no other family nearby and they took us in as family. My father passed in 2000 and many times I sought his advice. He was a true friend. Johnny and I made several trips together to buy old cars over the years. I moved to North Alabama in 2018 and last saw him in 2020. He was a good man. I am a better man for knowing him. Rlp “ Mr. Pontiac” 💜 (JasonMiller ,)

“ I am so sorry for the loss of this special man. I have so many fond memories of growing up with Johnny & his brothers & in later years seeing him at the Baggett family reunions with Uncle Byron & Rodger every year. He was a kind, caring Christian & I know he is rejoicing in Heaven with his family that has has gone on before. My love & prayers are with you all.

“ I have many memories of Johnny, hard to pick just one. Johnny, me and others went on a 5 day trip to Memphis motor sports park to see the NHRA every year for nearly 20 years. I have so many good memories of him and though I'm heart broke I can still see him smiling underneath that mustache and that makes me smile. One more thing about Johnny, I never heard him say anything negative about anyone the 30 plus years I new him. We should all be more like my friend Johnny.
