“ *I will miss our coffee drinking together and just talking, laughing, watching tv, or saying nothing at all and being with you. You was my best friend momma. And a piece of me went with you. A big piece. You was my rock. My love for you will be what keeps me going until I see you and daddy again. I'm going to miss you so so much but the memories I have are precious. You was the best person I have ever known and there will never be another great as you. I will love you forever.*

Joyce was a hard- working , caring woman. I remember going yo her snd Glenn's house with Mary Ellen to pick up peas. She would always have some iced tea or a goody on hand. We can truly say if her " Life is not measured by the years you live but by the friends you make along the way." We will all see you and our mama again one day soon.
