“ I’m very sad to hear of this precious lady’s passing. This woman was mine and my brother’s Grandmama. She kept us from age 1 till we went to kindergarten. She and her husband (Pop) helped mold us into the adults we are today. I hope we make them proud. I have so many memories that I will always cherish from staying with Grandmama and Pop. She was a special woman who made a difference in our lives and anyone who met her. Till we meet again Grandmama. This family has all my love and prayers during this time.

“ I remember this sweet lady when I was young, going to 2nd baptist. I lived across from the church, and my grandmother thought highly of her. Sorry for your loss.
