“ I am sorry to hear this. This sweet lady touched so many hearts including mine. I am grateful and humbled to have been able to tell her how much I love her a few months ago. Her faith in Christ, her love for her family and humanity, is a legacy to all and a true testament to the light and love of Christ. In my deepest sorrow I send my condolences to the family, and all who loved this precious soul. Rest in peace Aunt Kat.

“ Sending a prayer for peace and comfort to those who are feeling the loss of this sweet soul. Kathleen was overnight host to me on a visit to AL for a family reunion so many years ago , yet I will never forget her kindness and hospitality . She has set the bar when I seek an example for generosity in daily life.

“ Aunt Kat was a special lady. She always made everyone feel like family. Most of my childhood memories include time at her house playing baseball or hanging out inside. I look forward to seeing her again in heaven.
