“ We are so sorry to hear of the loss of your Dad. But we know that he is with your Mom now and they are both watching over you and are happy. We loved your parents like they are our family. They both will be truly missed. You know we only live a few houses down if you ever need anything. We love you guys. Fred, Jennie and family.

“ Kenneth was one of a kind. Always joking and cutting up, I never saw him meet a stranger. Him and his wife always treated me like family. I will miss him something awful. But he is rejoicing with Lorene and the angels. They are together forever. Love y'all grandpa and granny!!!
