“ You will be greatly missed by all who knew you. From the little ones that first knew you as Mr. Ballpark cause you seem to live there, to the Mr. Pray for you and yours at church and for those that was touched by you as Santa Clause will all be blessed to have known you. You was an all around awesome person and wore several different hats but rocked them all so well. Love you bunches and will miss you like crazy. Till we meet again on the other side.
