“ *Linda, Loretta, Dot and family,*

Please know that you are all in our prayers today and in the days to come. Jack and Linda were always so thoughtful and kind to Mom and went out of their way to stay in touch with her when she could not longer attend church. She loves all of you so much.

Unfortunately, with her dementia, we don't tell her about deaths anymore. It upsets her that she can't be there and she gets fixated on it. But please know that were it not for that, we would be with you today. May the God of all comfort, wrap His arms around each of you and pour out an abundance of comfort and peace on you all.

We love you,

The Eloise Hyche Family
