“ I know that Larry will be joking & laughing up a storm now that he & Zam will be able to cut up together again. The rest of the \"crew\" might be able to get a word in edge wise. Jackie P might talk your head off but that'll give Paw Paw a small break.\r\n\r\nBetty, my heart goes out to you. You are his soul mate. Such a sweet pair of love birds you two were! An inspiration of what true love is all about. Treasure the memories & know that your new guardian angel will watch out for you like he always did.\r\n\r\nHe will be missed. Fly high my friend!! God bless you . . .

“ So sorry about your brother, Ron. I know last decisions about him were very hard.\r\n\r\nKnow that nothing, not even death, can conquer God, but that God in Christ Jesus conquered death. If there was ever a personal knowledge of Jesus, there is always hope.\r\n\r\nMay God provide a mantle of peace for you and your family.
