“ It’s so heartbreaking to know I’ll never get to talk to you again Colby. You always knew how to look for the positive and hype me up when I was feeling down. You understood my crazy better than most and I’m gonna miss you kid. I’m glad you’re not having to fight your demons anymore though. And I’m sure heaven became a lot more fun when you got there!

“ Colby you were such a beautiful baby and always made everyone laugh. Aunt Terrie has been and will always be my favorite aunt. I know you and Uncle Rick were reunited and I know you were so happy to see him. I know how hard it was for you when he died. For all of you that are hurting, Jesus said to give him your burdens and take his instead for his is light and easy to carry. Our burdens our too heavy and only keep us down. I will pray for everyone effected by the passing of my little cousin. May he Rest In Peace.
